(Note: * Mandatory to fill)

IEEE BENEFITS

myIEEE - a one-stop personalized web portal providing IEEE members with convenient access to IEEE's member benefits and account management

IEEE.tv™ - internet television offering exclusive programming about technology and engineering to IEEE members, and accessible from myIEEE, the members-only portal

IEEE memberNet - an online search and networking tool that enables members to connect with technical and engineering experts worldwide

IEEE Member Digital Library - access up to 25 articles a month from any IEEE publication or conference proceeding

IEEE ResumeLab

IEEE members have a powerful tool to help gain a competitive edge in the employment process. IEEE ResumeLab is an online service that allows IEEE members to develop a resume or curriculum vitae using specialized tools tailored for each step of the job seeking process.

IEEE Microsoft Software Development Network Academic Alliance for Students

IEEE, in partnership with Microsoft, offers a wide selection of development software to IEEE Student members and Graduate Student members.

GoogleApps@IEEE for IEEE Members

GoogleApps@IEEE is available to members at no additional cost, bringing access to:

A unique IEEE e-mail address (e.g., John.Doe@ieee.org);
30-gigabytes of shared storage (Gmail and Google Drive);
Advertisement-free Gmail;
Files stored in the cloud for easy sharing and access from anywhere via Google Drive.

IEEE Sections - network with others in the local member community, and participate in local educational and professional activities

Technical Chapters - engage with others through informative technical meetings

Student Branches — opportunities to network with student members at universities and colleges

Volunteering - opportunities that build leadership and communication skills and networking opportunities

Awards- recognize the accomplishments of technologists and engineers worldwide

Scholarships - enhance your resume with an IEEE scholarship
